

Hornsby House School

Forest School Rules

No picking, no licking.

If a dog comes into the camp, give yourself a cuddle and look at the sky or turn your back.

No shaking and no braking (you can break the sticks you find on the ground, but not ones that are growing).

If you hear a whistle run to the nearest teacher.

If you get to a rainbow ribbon you stop, turn around and come back.

Be kind and gentle.

If I shout 'back to me', children shout 'back to you' and return to me immediately.
